I. INTRODUCTION & GENERAL INFORMATION

The Rapid City Regional Airport Board (the “Board”) is soliciting proposals from interested parties (“Proposer(s)”) to provide Food, Beverage, and Vending Concessions at the Rapid City Regional Airport (the “Airport”). This document outlines the prerequisites, selection process, and documentation necessary to submit a Proposal for the requested services. Please carefully read the entire package before submitting your Proposal. If awarded, the Food, Beverage, and Vending Concessions will be operated and maintained in accordance with the terms and conditions of the Board’s Standard Form Concession Agreement, which will be substantially similar in form to **Exhibit A** of this RFP.

II. AIRPORT BACKGROUND

The Airport is owned by the City of Rapid City and governed by a semi-autonomous board which operates the Airport on behalf of the City. The Board is responsible for the general oversight of the Airport with the ability to sign contracts and authorize expenditures needed to operate the Airport.

The Airport serves as the gateway to Western South Dakota, the Black Hills and Mount Rushmore. The Airport is home to 27 businesses with an overall economic impact of over \$283 million annually to Rapid City and surrounding communities.

a. Passenger Statistics and Airline Information

Annual passenger traffic statistics include both enplaning and deplaning passengers:

<u>Calendar Year</u>	<u>Enplaned Passengers</u>	<u>Deplaned Passengers</u>	<u>Total Passengers</u>

	DENVER CHICAGO HOUSTON NEWARK	3-6x Daily; (Yearly) 1-2x Daily; (Summer/Shoulder) 1x Weekly; Saturday (Summer) 2x Weekly; Sat-Sun (Summer)

b. Planned Facility Expansion

The Airport is currently in the design phase of a multi-faceted terminal expansion project which will significantly change the overall footprint and design of the terminal. The Airport Administration intends to provide sufficient space for the prospective concessionaire to operate, consistent with the space presently provided (as described in Subpart c, below) which is subject to change based on the terminal expansion project. Due to the impending terminal expansion, the proposed term of the Concession Agreement to be awarded is three years firm, with two one-year consecutive renewal options.

c. Existing Food, Beverage, and Vending Concessions

Currently the Airport has two restaurant locations: one pre-security and one post-security. The pre-security restaurant has a total footprint of approximately 627 square feet which includes a full kitchen, service counter, and bar. There is an ample amount of seating available for customers which is not included in the restaurant concession footprint. However, this area is cleaned and maintained by the concession. Passengers dining in this area also have access to an outside patio area. There is a full kitchen with refrigerator, freezer and a food preparation area. The Board owns all the dining tables and chairs, along with a Thermo-Kool (THER-P1500-1) Walk-In Cooler/Freezer combo. All other kitchen equipment is owned by the current concessionaire.

The post-security restaurant has a total footprint of approximately 903 square feet which includes a full kitchen with limited preparation area, a small refrigerator, and freezer. There is a full bar, seating area and grab-and-go line. Seating in this area is more limited. This area was completely renovated in 2018 by the Board which owns all the dining tables and chairs, and the majority of the restaurant equipment. The selected Proposer will be responsible for operating and maintaining the spaces and equipment. A list of Board-owned equipment, fixtures, and furniture is attached hereto as **Exhibit C**.

There is space for two (2) vending machines on the pre-security side and three (3) machines on the post-security side. A map of the restaurant and vending locations is attached hereto as **Exhibit B**.

d. Past Concessionaire Financial Performance:

As a point of information, the following are the Gross Revenues for the Food, Beverage, and Vending concessions for the past five years:

Calendar Year	Gross Revenue
2021	\$1,341,746.12
2020	\$738,597.03
2019	\$1,584,930.55
2018	\$1,186,213.73
2017	\$1,115,027.49

e. Airport Environment

It is important for Proposers to note that the Airport environment presents a set of unique challenges which are not typical of an off-airport setting.

- 1) Concession locations must be open three hundred and sixty-five (365) days a year with operating hours and staffing levels reflecting the fluctuation in seasonal and daily passenger traffic.
- 2) Airport-wide major flight delays are not uncommon. Passenger traffic at the Airport is affected by weather not only here, but in other geographic regions as well.
- 3) The Airport is a non-smoking facility. Further, all Operator and employee conduct must be consistent with the Airport Rules and Regulations.
- 4) Each Proposer's employee is an ambassador for the Airport and the region. Training is essential and should include knowledge of the terminal areas and services; and knowledge of the community.
- 5) The Airport is subject to specific badging and security screening requirements, which are established by the Transportation Security Administration and may be changed from time to time. Proposer shall be responsible for complying with these requirements and any future requirements.

III. SCOPE OF SERVICES

The Concessionaire will operate the Food, Beverage, and Vending Concessions in accordance with the specimen Concession Agreement attached hereto. The two Food and Beverage locations will include counter service, quick service, and takeaway items. Selected Proposer will need to provide any additional equipment it needs for its operation, including vending machines.

IV.GOALS OF THE FOOD, BEVERAGE AND VENDING PROGRAM

The Airport has a vital role as an economic development engine for and gateway to Western South Dakota. The Board wishes for the Airport concession program to present the cuisine, products, and brands of the region, in addition to nationally recognized brands. The Board encourages Proposers to incorporate established local, regional, and national brands in all aspects of their proposed programs, to the extent possible. This inclusion should be seen throughout the programming, in terms of:

- **Brands** – Seek out local and nationally recognized brands. Having a strong brand is important to this program.
- **Product & Merchandise Offering** – Provide a diverse product offering that can accommodate the full suite of a passenger’s food and beverage needs while at the Airport.
- **Revenue Generation** – Ability to optimize and increase concession revenues.
- **Customer Service** – Provide a first-class program that focuses on customer service.

Proposers should seek to include each of these four goals into the concession program, as demonstrated through the Brand Proposal (described in Section VII of this RFP). It is expected that the successful Proposer(s) will be those who can best integrate well-recognized brands with an understanding of the Airport’s local and regional passenger needs.

V. FINANCIAL OBLIGATIONS OF CONCESSIONAIRE

a. Concession Fee

As consideration for the non-exclusive right granted under the Concession Agreement, the Concessionaire is expected to pay, monthly during the term of the Agreement, the greater of either: a) the Minimum Annual Guarantee (MAG), beginning the first full calendar year; or b) a sum of the percentage of Gross Receipts derived from the operation of the leased locations (Percentage Rent).

b. Percentage Rent Payments

By the 10th of each month following the opening of the first Concession Location, the Operator will submit a detailed report showing sales by location, and where applicable, sales by category within each location. These sales will be utilized to calculate the monthly Percentage Rent, to be remitted with the report. A sample breakdown of sales is listed below.

<u>Concession Subtype</u>	<u>Minimum % Rent Bid Range</u>
Counter Service – Grab and Go (food and non-alcoholic beverages)	13%
Merchandise Sold In Pre-Secured Restaurant Location	13.5%-15%

Vending	15%-17%
Alcoholic Beverages (sold anywhere)	15%-18%

c. Minimum Annual Guarantee

Prior to the end of each full calendar year following the commencement of the term, the Board will compare the Percentage Rent paid by the Concessionaire over the course of the calendar year to the Minimum Annual Guarantee. If the total Percentage Rent paid over such year is less than the MAG, then the Board will invoice the Concessionaire for the difference, which must be remitted within 15 days. If the total MAG and Percentage Rent paid over such year is greater than the total Percentage Rent due, the Board will issue a credit memo to the Concessionaire.

The MAG will be adjusted each lease year during the initial term and any subsequent renewal terms. The total base MAG in the first lease year (Year One MAG) of the initial term will be at least \$84,500. Thereafter, the MAG will be adjusted to the greater of eighty percent (80%) of the total rent payments to the Board during the previous lease year, or the Year One MAG, whichever is greater. The MAG is to be paid monthly on the first of each month.

d. ACDBE Reporting and Good Faith Efforts

It is the Airport's policy to ensure that Airport Concession Disadvantaged Business Enterprises (ACDBEs) have full opportunity to compete for and participate in concession opportunities at the Airport. The Airport's total ACDBE goal for the concession program (excluding car rental) for 2022 is 1.35%. The Concessionaire will be required to provide monthly and annual Gross Revenue reports, along with annual ACDBE reports, throughout the entire term of the Food, Beverage and Vending Concession Agreement as provided in the Agreement. The Concessionaire may meet the ACDBE goal through the purchases of goods and services from qualified ACDBEs in the state of South Dakota. Good faith efforts are required to be made, documented, and provided to the Airport. A list of SD certified ACDBEs can be found at the following link:
<https://apps.sd.gov/HC65SDEBS/SavedDocuments/DBE/DBEDirectory.pdf>.

FOOD, BEVERAGE, AND VENDING CONCESSION AGREEMENT

This **FOOD, BEVERAGE, AND VENDING CONCESSION AGREEMENT** (“Agreement”) is made and entered into as of this ____ day of _____, 202_, by and between the **CITY OF RAPID CITY, SOUTH DAKOTA** (the “City”), by and through the **RAPID CITY REGIONAL AIRPORT BOARD** (the “Board”); and **[CONCESSIONAIRE ENTITY]** qualified to transact business in the State of South Dakota (the “Concessionaire”). The Board and Concessionaire together shall be referred to as the “Parties”.

WHEREAS, the Board owns and operates the Rapid City Regional Airport (the “Airport”) for the use and benefit of the public; and

WHEREAS, the Board is empowered and authorized to grant concession agreements on behalf of the City; and

WHEREAS, the Board wishes to accommodate businesses engaged in the sale of consumer goods and services to Airport passengers, employees and users within the commercial passenger terminal (“Terminal”); and

WHEREAS, Concessionaire is engaged in the business of operating food and beverage establishments in commercial airports, and represents that it has the requisite experience, financial capacity and human resources necessary to sell consumer goods and services at the Airport in a first-class manner; and

WHEREAS, the Board has selected Concessionaire to conduct the permitted uses hereunder, and Concessionaire is prepared to conduct the permitted uses and otherwise comply with the terms and conditions of this Agreement.

NOW, THEREFORE, in recognition and reliance on the foregoing, and in consideration of the mutual covenants and promises herein contained, and other valuable consideration, the Board and Concessionaire agree as follows:

ARTICLE I PREMISES

Section 101. The Lease.

The Board hereby leases and demises to Concessionaire and Concessionaire hereby hires and takes from the Board the exclusive possession of those areas of the Terminal as depicted on **Exhibit A** and incorporated herein by reference (hereinafter the “Premises”). The Premises are leased to Concessionaire subject to the terms and conditions of this Agreement and the reservations specified in Section 106 hereof.

Section 102. Access by Concessionaire.

EXHIBIT A

Concessionaire shall have the right of ingress to, egress from and access to the Premises to perform the uses permitted in Article III, for it and its employees, agents and invitees, and its machinery, equipment and vehicles and other property over aprons, drives, foot walks, ramps and roadways now or hereafter in existence, provided that Concessionaire's ingress to, egress from and access to the Premises do not materially interfere with the safe, secure and efficient operations of the Airport and the Terminal.

Section 103. Employee Parking.

The Board shall make ground vehicle parking for Concessionaire's owners and employees available at the published rate for employee parking, as may be adjusted by the Board from time to time.

Section 104. Access by the Board.

The Board and its authorized officers, employees, agents, contractors, and other representatives shall have the right (at such times as may be reasonable under the circumstances and with as little interruption of Concessionaire's operations as is reasonably practicable) to enter upon and in the Premises for the following purposes:

- A. To inspect the Premises to determine whether Concessionaire has complied and is complying with the terms and conditions of this Agreement.
- B. To perform maintenance and make repairs pursuant to Section 706, and in any case where Concessionaire is obligated to perform maintenance or repairs, but has failed to do so, after the Board has given Concessionaire notice to do so, in which event Concessionaire shall reimburse the Board for the cost thereof plus a charge of 15% for overhead promptly upon demand.
- C. To gain access to the mechanical, electrical, utility and structural systems of the Airport and the Terminal for the purpose of inspecting, maintaining and repairing such systems.
- D. To gain access to the Premises to consider Concessionaire's compliance with any Safety Management System or Environmental Management System as may be adopted by the Board for the Airport to include the Premises.

Section 105. Condition of the Premises; Continued Operation of Airport.

Concessionaire has made such investigations and inspections of the Premises as it deems necessary and accepts the Premises in "as-is" condition except as otherwise specified herein. The Board is not required to alter or improve the Premises, except to the extent of latent defects later discovered or as otherwise specified. Notwithstanding the foregoing, the Board warrants and represents that Concessionaire's intended and permitted use does not contravene any applicable building code and that there are no facts known to the Board which materially affect the intended use of the Premises or which have not been disclosed to Concessionaire. The Board shall maintain and keep in operation and repair the landing area of the Airport and all publicly owned facilities of the

EXHIBIT A

Airport, it being understood that the continued operation of the Airport is a material inducement to Concessionaire entering into this Agreement.

Section 106. Reservations.

- A. The Board reserves the right to maintain and keep in repair the landing area of the Airport and all Board-owned facilities of the Airport, together with the right to direct and control operations on or about the Airport.
- B. The Board reserves the right to further develop or improve the landing area and all Board-owned air navigation facilities of the Airport as it sees fit, regardless of the desires or views of Concessionaire, and without interference or hindrance of or by Concessionaire.
- C. The Board reserves the right to take any action considered necessary to protect the aerial approaches of the Airport against obstruction or hazard, together with the right to prevent Concessionaire from erecting, or permitting to be erected, any building or other structure on the Airport which in the opinion of the Board or the Federal Aviation Administration would limit the usefulness of the Airport or constitute a hazard to air navigation.
- D. During time of war or national emergency, the Board shall have the right to enter into an agreement with the United States government for military use of all or part of the landing area, the Board-owned air navigation facilities and/or other areas or facilities of the Airport. If any such agreement is executed, the provisions of this Agreement, insofar as they are inconsistent with the provisions of the agreement with the federal government, shall be suspended during the duration of such war or national emergency and for a reasonable time thereafter.
- E. It is understood and agreed that the rights granted by this Agreement will not be construed, interpreted, or exercised in such a way as to interfere with or adversely affect the use, operation, maintenance or further development, expansion or extension of the Airport.
- F. There is hereby reserved to the Board, its successors and assigns, for the use and benefit of the public, a free and unrestricted right of flight for the passage of aircraft in the airspace above the surface of the Premises herein conveyed, together with the right to cause in said airspace such noise, vibration, smoke, fumes, glare, dust, fuel, particles and all other impacts as may be inherent in the operation of aircraft, now known or hereinafter developed and used for navigation of or flight in the air, using said airspace for landing at, taking off from, or operating on or about the Airport.
- G. This Agreement shall be subordinate to provisions of any existing or future agreement between the Board and the United States of America or any agency thereof relative to the improvement, expansion, extension, operation, development or maintenance of the Airport. Should the Board receive a determination or order from the Federal Aviation Administration or a court of competent jurisdiction concluding that any provision of this Agreement is inconsistent with any such agreement between the Board and the United States, the Parties shall amend this Agreement as necessary to resolve the inconsistency. If the Parties are unable to agree on the required amendments, the Board shall have the

EXHIBIT A

right to unilaterally amend this Agreement to resolve the inconsistency.

- H. The Board reserves the right to remove and replace any or all portions of the Premises to substitute areas of the Terminal comparable in size and utility for the permitted uses hereunder. The Board shall provide Concessionaire no less than sixty (60) days prior written notice of the relocation, except if earlier relocation is required to comply with the regulations or directives of the Transportation Security Administration or Federal Aviation Administration. The Parties thereafter shall modify Exhibit A as necessary to reflect the substituted area. Board shall be responsible for Concessionaire's unamortized costs to improve the area withdrawn from the Premises, to be calculated as a credit to the Concession Fee owed by Concessionaire in accordance with Article IV. Board shall not otherwise be liable or responsible for any inconvenience or loss by Concessionaire of revenue resulting from the relocation provided that the Board takes all commercially reasonable efforts to prevent or minimize such inconvenience or loss. Concessionaire shall have the right to reject the substituted area and terminate this Agreement, provided that the Board shall have no liability or responsibility to compensate Concessionaire in such event.
- I. The Airport Director may temporarily or permanently close any roadway or other right-of-way for access to the Premises, so long as another means of access is provided. Concessionaire understands and agrees that there may be inconveniences caused by construction or renovations of the Airport or Terminal, and Concessionaire hereby releases and discharges the Board from any and all claims or causes of action arising out of the closing of any right-of-way, the Airport or Terminal.

ARTICLE II TERM

Section 201. Term.

The term of this Agreement shall commence on January 1, 2023 (the "Commencement Date") and shall end on December 31, 2025 (the "Initial Term").

Section 202. Renewal Options.

Upon mutual agreement of the Parties, the Board may grant up to two (2) one-year extensions to the Agreement (each a "Renewal Term"). Such agreement to renew the Agreement shall be made no less than sixty (60) but no more than ninety (90) days prior to the expiration of the Initial Term or the first Renewal Term. References herein to the "Term" refer to the entire length of this Agreement, whether or not extended by a Renewal Term.

Section 203. Holdover.

- A. The Board may permit Concessionaire to hold over beyond the expiration of this Agreement in order for the Board to conclude a solicitation process or to prepare for a follow-on concession tenancy either with Concessionaire or another business or businesses selected by the Board. The Board will notify Concessionaire in writing of the Board's offer of a holdover tenancy. Within thirty (30) days of receipt of the Board's notice, Concessionaire shall notify the Board in writing as to Concessionaire's acceptance of said

EXHIBIT A

holdover tenancy. If Concessionaire fails to so notify the Board in writing within said thirty-day period, Concessionaire shall be deemed to have rejected the Board's offer of holdover tenancy.

- B. If the Board permits Concessionaire to holdover, such a holding over shall not be deemed a renewal or extension of this Agreement but shall create a month-to-month tenancy on the same terms and conditions of this Agreement in effect immediately prior to the commencement of the holding over. The Board may terminate the holdover upon thirty (30) days' written notice to Concessionaire. Other than as specified in this section, Concessionaire may not otherwise remain on the Premises for any reason beyond expiration of the Term.

Section 204. Surrender of Possession and Restoration of Premises.

Concessionaire shall, on the expiration date of the Term, or upon the earlier termination hereof, peaceably surrender possession of the Premises, free and clear of all liens and encumbrances, other than those, if any, permitted under this Agreement or otherwise created or consented to by the Board. Concessionaire shall remove any and all of Concessionaire's tangible movable personal property, except those specifically identified by the Board to be retained, and will return the Premises in "broom clean" condition, capable to be relet by Board without significant repair, excepting only reasonable wear and tear. All such costs of removal and restoration shall be borne by Concessionaire, without contribution by the Board.

ARTICLE III USE OF PREMISES

Section 301. Permitted Uses.

The Board hereby grants to Concessionaire, subject to all the terms, covenants and conditions of this Agreement, the right, license and privilege, to the extent allowed by law, to operate food and beverage and automated vending services within the Premises. For purposes of this Agreement, food and beverage concessions shall include sit-down, counter service, carry-out/take-away and food delivery service within the Terminal. Food and beverage concessions include the sale of beer, wine, spirits and mixed drinks for on-site consumption, provided Concessionaire maintains liquor liability insurance as part of, or in addition to, the commercial general liability insurance required hereunder. Automated vending refers to the five (5) vending machines within the Terminal which dispense prepackaged food and canned or bottled beverages.

Section 302. Prohibited Uses.

- A. Concessionaire shall have no right to perform any service or offer for sale any goods or services or to engage in any other business or commercial activity on the Airport that is not specifically granted under this Agreement.

EXHIBIT A

- B. Concessionaire shall neither use nor occupy the Premises or any part thereof for any unlawful or hazardous business purposes, nor operate or conduct its business in a manner constituting a public or private nuisance.
- C. Concessionaire shall not sell beer, wine or spirits (including powdered alcohol) for consumption *outside of the Premises*, and shall advise customers upon inquiry that off-Premises consumption of alcohol, including the carrying of alcohol onto aircraft for purposes of consumption on the aircraft, is strictly prohibited.

Section 303. No Exclusivity to Conduct Concession Activities.

Concessionaire acknowledges and agrees that nothing specified in this Agreement, and no statements or representations made by the Board or any person, commission or other authority, independently or on behalf of the Board, prior to or contemporaneously with the execution of this Agreement, shall be deemed to grant or imply an exclusive right or privilege to conduct concession activities at the Airport on an exclusive basis. The Board reserves the authority to grant the right to provide similar or related concession services to any other entity, except that, subject to the terms and provisions contained in this Agreement, Concessionaire shall have the exclusive right to possession of the Premises.

ARTICLE IV FINANCIAL OBLIGATIONS

Section 401. Obligation to Pay Concession Fee and Charges.

Concessionaire, for and in consideration of the rights and privileges granted herein, agrees to pay the fees set forth in this Article IV, without demand, during and throughout the Term.

Section 402. Concession Fee.

- A. Concessionaire shall pay the Board monthly for the rights and privileges granted to it herein, for each Agreement Year, the greater of (a) the Percentage Fee; or (b) the Minimum Annual Guarantee (MAG). The MAG for Agreement Year One, "Base MAG", shall be \$ _____, which MAG is based on an Agreement Year from January to December, and shall be payable in 12 equal monthly installments on or before the first day of each month.

The MAG for each year thereafter shall be equal to the greater of (i) eighty percent (80%) of the prior Agreement Year's Percentage Fees, or (ii) the Year One MAG, whichever is greater. In no event shall the MAG for the forthcoming Agreement Year be less than the Year One MAG.

In the event Lessee's cumulative payments for an Agreement Year equal or exceed the MAG, Lessee shall be relieved from its obligation to pay one-twelfth (1/12) of the MAG on or before the first of each month and shall only be obligated to make its Percentage Fee

EXHIBIT A

payment, which shall be made on or before the tenth of each month for the remainder of that Agreement Year.

B. The Percentage Fee shall be calculated as follows:

- i. Counter Service/Grab & Go Food and Beverages (excluding alcohol) – ___% of Gross Revenue.
- ii. Convenience Items (pre secured side only) – ___% of Gross Revenue.
- iii. Alcoholic Beverages (sold anywhere) – ___% of Gross Revenue.
- iv. Automated Vending – ___% of Gross Revenue.

Section 403. Definition of Gross Revenue.

Gross Revenue shall mean the gross receipts from all sales made and services performed for cash or credit at the Airport, regardless of the point of origin or delivery of the order, and any other revenue of any type arising out of or in connection with Concessionaire's operations at the Airport, whether performed by the Concessionaire, its sublessees, subsidiaries, associated companies or otherwise. The following shall be excluded or deducted, as the case may be, from Gross Revenues:

- i. federal, state, county and municipal sales taxes or other sales taxes separately stated and collected from customers;
- ii. cash or credit refunds given to customers for returned products purchased at the Airport;
- iii. the value of any supplies or equipment exchanged or transferred from or to other locations of Concessionaire's business not made for the purpose of avoiding a sale at the Airport;
- iv. receipts in the form of refunds from or the value of merchandise, supplies or equipment returned by shippers, suppliers or manufacturers;
- v. the sale or trade-in value of any equipment or fixtures approved for removal by the Airport Director and owned by Concessionaire;
- vi. the amount of any finance, insurance, or service charges on credit sales originated or delivered to the Airport or the Premises.

Section 404. Payment of Concession Fee.

- A. By the tenth (10th) day of each month Concessionaire shall pay the Board the Percentage Fee. Concessionaire shall submit a Monthly Sales Report in the form set forth in **Exhibit B** with each Percentage Rent payment.
- B. At the end of each full calendar year, the Board shall compare Concessionaire's Percentage Fee payments over the year to the MAG. If the total Percentage Fee paid over such year is less than the MAG, the Board shall invoice Concessionaire for the difference, which amount must be remitted to the Board within fifteen (15) calendar days. If the total MAG and Percentage Fee paid over such year is more than the total Percentage Fee owed and paid, the Board shall issue a credit memo to the Concessionaire for the difference.

EXHIBIT A

Section 405. MAG Adjustment

- A. At the beginning of each lease year during the Initial Term and any subsequent Renewal Term(s), the MAG shall adjust to the greater of (i) eighty percent (80%) of the total Rent payments to the Board during the previous lease year, or (ii) the MAG set forth in Section 402(A). Under no circumstances shall the MAG be less than the Base MAG set forth in Section 402(A).
- B. As an exception to the foregoing, Concessionaire may petition the Board to waive MAG if, for any reason during the Term, the number of enplaned passengers at the Airport during any Agreement Year shall be less than seventy-five percent (75%) of the number of enplaned passengers (in accordance with such traffic records as are maintained by the Board) in the calendar year period of the preceding year; and the Concessionaire satisfactorily demonstrates to the Board that, through no fault of its own, the operations of the Concessionaire's business have been materially impacted by such decrease in enplaned passengers. Such petitions will be considered by the Board on a case-by-case basis, provided that Concessionaire continues to operate all concession locations in accordance with this Agreement, including but not limited to Article V (Performance and Operating Standards).

Section 406. Recording of Gross Revenue.

Concessionaire agrees to provide for the collection of all monies and provide accounting, audit and reports of Gross Revenue as required by this Article IV. In addition, Concessionaire shall ensure that a point-of-sale system is provided in all Premises which is capable of providing comprehensive records, in a format reasonably acceptable to the Director, of monthly and annual sales of Concessionaire for each facility under this Agreement. These records are to be retained by Concessionaire and may be examined upon request of Director.

Section 407. Annual Audit.

- A. Concessionaire shall perform, at its sole cost and expense, an audit of Gross Revenues in each new calendar year throughout the Term. The audit will be performed by an independent Certified Public Accountant licensed to do business within the State of South Dakota. The audit reports shall be provided to Board prior to the end of January and at a minimum certify the accuracy of (i) reported total accumulated Gross Revenue, (ii) accumulated Gross Revenue separated into the three (3) Percentage Rent product categories, (iii) the calculation of the total amount payable to Board based upon accumulated Gross Revenue for the calendar year, the product categories and the Percentage Rent, and (iv) the dollar value of ACDBE participation. The audit reports shall also include a schedule showing the total of actual payments to Board during the calendar year and shall state an opinion as to the correctness of the computation of Gross Revenue without exception.
- B. If through such audit report, it is established that additional fees are due Board, Concessionaire shall pay such additional fees to Board no later than fifteen (15) days after

EXHIBIT A

completion of such audit and receipt of written notice from the Director. If it is established that Concessionaire has overpaid the Board, then such overpayment from Concessionaire shall be credited to the Concession Fee next thereafter due from Concessionaire.

- C. At the time of submission of the audit report, Concessionaire shall provide Board with an estimate of projected monthly Gross Revenue for the subsequent calendar year by product category as set out above.

Section 408. Charges.

Concessionaire shall pay the following fees, charges and taxes (singularly, a "Charge" and collectively the "Charges") to the appropriate vendor or taxing authority, as the case may be:

- A. If applicable, all Charges for occupational or business licenses and permits, security badges, and other licenses and permits necessary in the operation of the business to be conducted by Concessionaire upon the Premises, all of which Concessionaire agrees to keep current and in force;
- B. The telephone system in the Passenger Terminal Facility is owned by the Board and is provided to the Concessionaire for use in conducting its business operations. No other telephone system may be installed or operated by the Concessionaire without the express written consent of the Board. Concessionaire agrees to pay for the usage of the telephone system as per the Board's current rates and charges. The Board will maintain the telephone system and associated equipment in good working condition and Concessionaire will be responsible for any damage to the same caused by Concessionaire. Concessionaire agrees to contact the Board for any desired changes to or issues with telephone system or associated equipment; and
- C. If applicable, all sales and use taxes due as a result of business conducted by Concessionaire on the Premises, and personal property taxes, if any, assessed against Concessionaire's personal property situated thereon, as well as any and all state, Board and local taxes payable during the Term arising with respect to Concessionaire's use of the including but not limited to real property taxes and leasehold improvement taxes, or the conduct of Concessionaire's operations from the Premises.

Section 409. Unpaid Concession Fees and Charges.

Concessionaire covenants and agrees that all sums Concessionaire is to pay to the Board as Concession Fees or Charges under this Agreement, if not paid within ten (10) days of the date when due, shall bear interest from the date when due on the unpaid portion thereof at a rate of eighteen percent (18%) per annum or at the highest rate legally chargeable, whichever is lower.

Section 410. Security Deposit.

EXHIBIT A

In the event Concessionaire fails to timely pay a monthly installment of the Concession Fee when due two (2) or more times during the Term, the Board shall have the right to demand that Concessionaire deposit with the Board an amount equal to twice the monthly MAG then payable hereunder as a security deposit to be held by the Board and applied to any damage, Concession Fee or Charge due to the Board from Concessionaire with respect to the Premises which are not paid when due, subject to any notice and cure periods specified herein (hereinafter the "Security Deposit"). If the Board applies all or part of the Security Deposit, Concessionaire shall within ten (10) days after demand from the Board to Concessionaire replenish the portion of the Security Deposit so applied. If the Board does not use the Security Deposit and if Concessionaire substantially complies with all provisions contained in this Agreement, the Board shall return the Security Deposit, without interest, to Concessionaire upon the expiration or earlier termination of the Agreement and vacation by Concessionaire of the Premises.

Section 411. Mechanics' and Materialmen's Liens.

Concessionaire agrees not to permit any mechanics' or materialmen's or any other lien to be recorded against the Premises or any part or parcel thereof, or the improvements thereon, by reason of any work or labor performed or materials furnished by any mechanic or materialman or for any other reason.

Section 412. Accounting Records and Reports.

Concessionaire will, during the term hereof, make available in Rapid City true, accurate, complete and auditable records of all business conducted by it at the Airport. Concessionaire will make same records available to the Board for one year following the termination of this Agreement. These records will be accessible during usual business hours to the Board or its duly appointed agents or auditors.

Section 413. Contest of Charges.

Concessionaire shall have the right to contest the amount or validity of any Charge by appropriate legal proceedings, but this shall not be deemed or construed in any way as relieving Concessionaire of its covenant to pay any such Charge or any applicable penalties, costs and interest related thereto. Concessionaire shall not be in default hereunder in respect to the payment of any tax or assessment which Concessionaire is in good faith contesting if contest of such tax or assessment without payment is permitted by law. Board shall execute such documents as may be requested by Concessionaire from time-to-time for the purpose of receiving notices of reassessment, tax bills and the like or making tax-related claims.

Section 414. Notice, Place and Manner of Payment.

Payments will be made at the Office of the Airport Director, 4550 Terminal Road, Suite 102 Rapid City, South Dakota 57703-8706, or such other location as the Board may hereafter notify Concessionaire and will be made by check.

EXHIBIT A

ARTICLE V OPERATING AND PERFORMANCE STANDARDS

Section 501. First-Class Concession.

Concessionaire shall furnish goods and services to Airport passengers, employees and users in a first-class manner, consistent with the highest quality delivery of goods and services in like settings. Concessionaire shall offer prompt and efficient services that are adequate to meet all reasonable demands thereof at the Airport on a fair, equal and nondiscriminatory basis to all categories of users and in a manner that will reflect credit upon Concessionaire and the Board. Concessionaire shall offer quality products and shall equip, organize, put into service and manage the Premises so as to provide service within an attractive and pleasant atmosphere. Concessionaire shall operate and maintain the Premises in satisfaction of all public health and safety standards and maintain the highest standards of food safety and cleanliness.

Section 502. Hours of Operation.

- A. The minimum hours of staffed operation for serving the public shall be two (2) hours before departure of the first scheduled flight each day and until thirty (30) minutes after the departure of the last flight out each day. Concessionaire may not permanently change the hours of operation without written application to and the written approval of the Airport Director. The Airport Director may reasonably require Concessionaire to change its hours of operation to reflect changing operational circumstances at the Airport provided that Concessionaire is given ten (10) days advance written notice.
- B. In the event that scheduled flights are delayed past the normal last scheduled departures due to weather or other causes, Concessionaire agrees to reasonably accommodate the needs of the public and employees until such time that the delayed flights have departed or have been canceled.

Section 503. Pricing Program.

- A. Concessionaire shall ensure that prices charged for all pre-packaged consumer products are no more than fifteen percent (15%) greater than prices charged for the same product at off-airport retail businesses within the Rapid City metropolitan area. Board reserves the right to audit compliance with this requirement. Concessionaire shall offer a refund to any customer who demonstrates that they were charged more than fifteen percent (15%) markup for the same product.

Section 504. Automated Vending

Concessionaire shall service and fill the vending machines at intervals which ensure the machines are fully stocked and the products are fresh. Upon notification by a Board representative that a machine is empty or low in inventory, the machine must be serviced/stocked within twenty-four (24) hours of the notification. Concessionaire must maintain an agreed-upon minimum stock of product at all times.

EXHIBIT A

Section 505. Marketing and Promotion.

- A. Concessionaire covenants that it shall take all reasonable measures in every proper manner to maintain, develop and increase the business conducted by it hereunder. Concessionaire shall not divert or cause or allow any business to be diverted from the Airport by referral or any other method.
- B. Concessionaire commits to spend no less than one (1) percent of Gross Revenues on an annual basis to publicize and promote concession services, including for example and without limitation seasonal, themed, special event and general promotions.

Section 505. Management.

- A. Concessionaire shall at all times retain one or more qualified, competent and experienced local managers who shall manage and supervise the operations at the Premises and represent and act for Concessionaire. The manager shall ordinarily be available during regular business hours. A responsible subordinate shall be in charge and available at all times during the manager's absence.
- B. Concessionaire's local manager shall be responsible to monitor and supervise the Premises each day to ensure that the Premises are operated and maintained in a safe and secure manner and kept clean and clear of any safety hazards or unsightly spills and debris and the accumulation of products on the floor prior to restocking.
- C. Concessionaire's local manager shall attend monthly tenant management meetings conducted by the Board to discuss any relevant issues which may affect Concessionaire's operation or other operations at the Airport. Concessionaire shall also be available for meetings at other times reasonably required by the Airport Director.
- D. Concessionaire shall be responsible for notifying the Airport Director of any problem which reduces service levels or sales or in any way impairs Concessionaire's operation. The Board will undertake, in its sole discretion, reasonable efforts to assist in eliminating such problems.

Section 506. Personnel.

- A. Concessionaire shall require its employees (except managerial and supervisory employees) to wear appropriate uniforms, and all of its employees to wear badges indicating company trade name and employee's first name. Concessionaire shall employ only properly trained, efficient, pleasant, neat, clean and courteous personnel, each of whom shall be proficient in the duties to be performed in the operation of the concession. Concessionaire agrees that it will be responsible for ensuring that its employees abide by all applicable laws, rules and regulations. Concessionaire shall prohibit and restrain its employees, vendors, and agents from loud, noisy, boisterous or otherwise objectionable behavior. Upon notice from the Airport Director concerning the conduct or appearance of any such persons,

EXHIBIT A

Concessionaire shall immediately take all steps necessary to remove the cause of the objection.

- B. Concessionaire shall be responsible to train and supervise its employees in the proper handling of food items and compliance with all applicable public health and safety codes and standards.
- C. Concessionaire agrees to provide staff in reasonable numbers adequate to provide a high level of service and maximize sales but commercially reasonable when considering, among other things, the number of expected customers.
- D. Concessionaire assumes responsibility to recover any Airport-issued security badge or similar credential and any keys for Airport doors or locks from personnel that no longer are employed by Concessionaire. Concessionaire shall take all reasonable efforts to recover credentials and keys from any such employee immediately upon termination or separation.

Section 507. Deliveries.

Concessionaire shall monitor the movement of deliveries to avoid conflict with other functions and users of the Airport and shall coordinate its use of the receiving area with other users. All deliveries are the responsibility of Concessionaire and not the Board. Concessionaire and its vendors shall only use delivery carts equipped with pneumatic tires and rubber bumpers. Carts shall not have any exposed brackets or bolts.

Section 508. Operation.

- A. Concessionaire shall be responsible for all aspects of the management and operation of the concession. Further, Concessionaire will provide employees and necessary components of the operation, including inventory, fixtures, equipment and supplies, except as otherwise provided in this Agreement.
- B. Concessionaire, including personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that Concessionaire will use the Premises in compliance with all other requirements imposed by or pursuant to the list of non-discrimination acts and authorities, as enumerated in the preceding subsection. In the event of breach of any of the above nondiscrimination covenants, the Board will have the right to terminate this Agreement and to enter or re-enter and repossess said land and the facilities thereon, and hold the same as if the Agreement had never been made or issued.

Section 1304.

During the performance of this Agreement, Concessionaire, for itself, its assignees, and successors in interest, agrees as follows:

EXHIBIT A

- A. Nondiscrimination: Concessionaire, with regard to the work performed by it during the Agreement, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and Agreements of equipment. Concessionaire will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.
- B. Solicitations for Subcontracts, including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding or negotiation made by Concessionaire for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by Concessionaire of contractor's obligations under this Agreement and the Nondiscrimination Acts and Authorities.
- C. Information and Reports: Concessionaire will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Board or the FAA to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, Concessionaire will so certify to the Board or the FAA, as appropriate, and will set forth what efforts it has made to obtain the information.
- D. Sanctions for Noncompliance: In the event of Concessionaire's noncompliance with the non-discrimination provisions of this Agreement, Board will impose such contract sanctions as it or the FAA may determine to be appropriate, including, but not limited to, cancelling, terminating, or suspending this Agreement, in whole or in part.

ARTICLE XIV MISCELLANEOUS PROVISIONS

Section 1401. No Personal Liability.

EXHIBIT A

No member, director, officer, employee or other agent of either party shall be personally liable under or in connection with this Agreement absent a tortious act by such person or the express written undertaking of such person to the contrary. Each of the Parties acknowledges and agrees that in entering into this Agreement, and the documents referred to herein, such party does not rely on, and shall have no remedy with respect to, any statement, representation, warranty or understanding (whether intentionally, negligently or innocently made) of any person (whether a party to this Agreement or not) other than as expressly specified in this Agreement.

Section 1402. Binding Effect.

This Agreement and the terms, conditions, covenants and obligations contained herein shall be for the benefit of and shall be binding upon the Board and Concessionaire, and their respective permitted successors and assigns.

Section 1403. Severability.

Except to the extent otherwise specified herein, each covenant and agreement contained in this Agreement shall be for all purposes construed as separate and independent covenants and agreements, and the breach of any covenant or agreement contained herein by either party shall not discharge or relieve the other party from its obligation to perform each and every covenant and agreement contained herein.

Section 1404. Partial Invalidity.

If any covenant, term or condition of this Agreement or the application thereof to any person or circumstance shall to any extent be held to be invalid or unenforceable, the remainder of this Agreement, or the application of such covenant, term or condition of this Agreement, shall be valid and enforceable to the fullest extent permitted by law.

Section 1405. Applicable Law.

This Agreement shall be deemed to have been made in the State of South Dakota and shall be governed by and construed in accordance with the laws of the State of South Dakota, notwithstanding the applicable choice of law provisions or the place of execution hereof, nor the performance of the acts in connection herewith or hereunder occurring in any other jurisdiction. Venue for any action relating to this Agreement shall be in the Circuit Court of Pennington County, South Dakota, and the Parties hereby agree to submit to the jurisdiction of said court.

Section 1406. Time of the Essence.

Time is of the essence with respect to all provisions contained in this Agreement.

Section 1407. Paragraph Headings.

EXHIBIT A

The headings of the various sections of this Agreement have been inserted for convenient reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions contained herein.

Section 1408. Entire Agreement.

This Agreement and the exhibits attached hereto or referred to herein shall constitute the entire agreement between the Parties. Any prior understanding or representation of any kind preceding the execution hereof shall not be binding upon either party except to the extent incorporated in this Agreement.

Section 1409. Modification of Agreement.

Any modification to this Agreement or additional obligations assumed by either party in connection with this Agreement shall be binding only if evidenced in a writing signed by each party.

Section 1410. Relationship of the Parties.

This Agreement shall not be construed as creating any relationship hereunder other than that of lessor and lessee. No other relationships, such as one of partnership, joint venture or otherwise, shall arise by reason hereof. Except as expressly specified in this Agreement, nothing contained herein shall be construed as authorizing either party to act as agent for the other, and neither party shall have authority to act in the name or on behalf of or otherwise to bind the other in any way (including without limitation the making of any representation or warranty, the assumption of any obligation or liability and the exercise of any right or power).

Section 1411. Force Majeure.

Neither the Board nor Concessionaire shall be deemed to be in violation of this Agreement if it is prevented from performing any of the obligations hereunder by reason of strikes, boycotts, labor disputes, embargoes, shortages of materials, acts of God, acts of the public enemy, acts of superior governmental authority, weather conditions, riots, rebellion, terrorism, sabotage or any other circumstances for which it is not responsible or which are not within its reasonable control, provided that nothing herein shall excuse Concessionaire from satisfying the financial obligations set forth in Article IV.

Section 1412. Previous Agreements.

The terms and obligations of this Agreement shall in no way affect or impair the terms, obligations or conditions of any existing or prior agreement between Board and Concessionaire.

Section 1413. Construction of Agreement.

Words of any gender in this Agreement shall be held to include any other gender, and words in the singular number shall be held to include the plural when the context requires. Whenever used

EXHIBIT A

herein, the word “Concessionaire” shall be deemed to include its approved successors, sublessees and assigns; and the word “Board” shall be deemed to include its successors and assigns, unless the context excludes such construction. Each party acknowledges that both Parties participated equally in drafting this Agreement and, accordingly, no court construing this Agreement shall construe it more stringently against one party.

Section 1414. Waiver.

No waiver of a default by either party of any of the terms, covenants and conditions hereto to be performed, kept and observed by the other party shall be construed, or shall operate, as a waiver of any subsequent default of any of the terms, covenants or conditions herein contained to be performed, kept and observed by the other party. A waiver of a breach of any of the terms of this Agreement or of a default under this Agreement shall not prevent a party from subsequently requiring compliance with the waived obligation. The rights and remedies herein provided are cumulative and, unless otherwise provided herein, are not exclusive of any rights or remedies provided by law.

Section 1415. Brokerage Fees, Commissions.

The Board and Concessionaire mutually represent that there are no finders, consultants, agents or brokers involved in this transaction and that neither the Board nor Concessionaire has agreed to pay a commission or fee to any finder, consultant, agent or broker in connection with this Agreement. Each party agrees to indemnify and hold harmless the other party from any liability arising from any claim for any such commission or fee alleged to be payable because of any statement, act or omission of the indemnifying party in connection with this transaction, including without limitation reasonable attorney’s fees and costs actually incurred in connection with defending said party from any such claim.

Section 1416. Survival of Covenants.

Any covenant or obligation imposed on the Board or Concessionaire by the terms of this Agreement which requires any performance on the part of Board or Concessionaire, as the case may be, after the expiration or earlier termination of this Agreement shall be deemed to survive such expiration or earlier termination.

Section 1417. Debt Instruments.

This Agreement and all rights under this Agreement shall be subordinate to any bond ordinance, indenture or covenant made by the Board with respect to the Airport during the Term and, in the event of a conflict, the requirements of the ordinance, indenture or covenant shall control.

This Agreement may be executed in several counterparts, each of which when so executed shall be deemed to be an original and such counterparts shall together constitute and be one and the same instrument.

Section 1420. Quiet Enjoyment.

Upon substantial compliance by Concessionaire with the provisions contained in this Agreement, Concessionaire shall peaceably and quietly hold and enjoy the Premises for the Term without hindrance or interruption by the Board or any other person or persons. Board warrants that it has good and marketable title to the Airport and the Premises and that there are no liens, charges, encumbrances, or rights of third parties that have a prior right to the interest of Concessionaire under this Agreement.

The persons executing this Agreement on behalf of the Board and on behalf of Concessionaire have the requisite power and authority to do so and to bind the Parties in the performance of the respective obligations hereunder. Each party has full power and authority to enter into this Agreement and to perform the transactions contemplated herein without the consent or approval of any other person or party whatsoever.

Section 1422. Consents; Approvals.

EXHIBIT A

Any consent or approval required by a party or such party's representative or agent shall, to the extent not otherwise expressly stated, not be unreasonably withheld, delayed or conditioned.

Section 1423. Payment of Less than Full Amount.

Notwithstanding any other provision of this Agreement to the contrary, if one party makes a payment to the other party for an amount owing under this Agreement in an amount less than the full amount then due and payable, the unpaid balance shall remain due and payable, whether or not such unpaid amount is in dispute and whether or not the party making such payment has placed a "Payment in Full" or similar legend on the instrument by which payment is made, unless the Parties have executed and delivered a separate written agreement settling the amount owed (a "Settlement Agreement"). The party receiving value for such partial payment shall not be deemed to have waived its right to receive the balance of the remaining amount due unless such party has executed and delivered a Settlement Agreement waiving its claim to such balance.

Section 1424. No Third-Party Beneficiary.
